<https://www.teamleicestershire.org>

<https://www.playwaze.com>

**Schools are responsible for uploading their own results and monitoring & evaluation data to the Virtual Together app, which will result in the smooth running of each competition. Initial team & competition entry is done via the web platform, then all competitions, fixtures and result input are subsequently available via the Virtual Together mobile app.**

**The transition to the Team Leicestershire mobile app will hopefully make elements such as M&E & result upload quicker and easier for staff involved as well as allowing young people and parents to follow their teams' fortunes throughout the competitions.**

**All user guides can be found on the Team Leicestershire website:**
